

Project 1: Thinking of You

Recipe: Paper. Images. Embellishments.

The Color Palette:

Paper: Inside of one Old Olive and one Flirty Flamingo envelope, silver-edged tag

Images: Blissful Blooms stamp set & Blackberry Bliss Stampin' Spot

Embellishments: Baker's Twine in Flirty Flamingo with silver thread, 3 green leaves and 3 frosted leaves

Extras: Flirty Flamingo card stock, Tailored Tag punch

The Project:

Step 1:

Cut your pieces.

- Flirty Flamingo card stock cut to 5 ½" x 8 ½" and score at 4 ¼".
- Cut 18 ½" of Flirty Flamingo Baker's Twine.
- Use the Tailored Tag Punch to punch 3 Flirty Flamingo and 3 Old Olive pieces (I used scraps) from the envelopes.

Step 2:

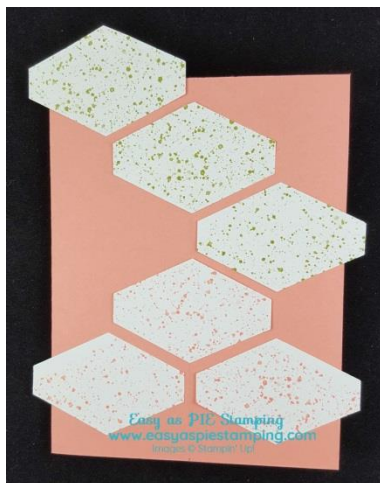

Stamp your images.

- Stamp the sentiment in Blackberry Bliss on the silver-edged tag.

Step 3:

Putting it all together.

- Adhere the punched pieces to the Flirty Flamingo card base and trim the edges. **Tip:** Draw a light pencil mark through the center of the card front to help with lining up the punched pieces. Erase the line when finished.

- Wrap the Baker's Twine around the front of the card and tie in a bow. **Tip:** Use a glue dot behind the bow to keep it in place.

- Use glue dots to adhere the leaves to the back of the tag. Use Dimensionals to adhere the tag to the center left of the card front.
