The Project:

Step 1:

Step 2:

Stamp your images.

- Stamp the sentiment in Blackberry Bliss in the center of Stitched Oval.

Step 3:

Putting it all together.

- Use Dimensionals to adhere the oval to the center of the card.
- Use glue dots to adhere the leaves onto the left and right sides of the oval.
- Tie the Baker's Twine around the left side of the card in a bow.
