Extras: Beautiful Trees Dies, Stitched Rectangle Dies, Stampin' Seal, Dimensionals, Glue Dots, Paper Trimmer, Stampin' Cut & Emboss Machine

Instructions

Step 1:

Cut your pieces.

- Mossy Meadow Card Base: Cut 8 ½" x 11", scored at 5 ½"
- Night of Navy CS: Cut 5 ¾" x 8 ¾" layer
- Mossy Meadow Water Color Wash DSP: 5 ¼" x 3", then tear top edge to create "hills".
- Misty Moonlight Water Color Wash DSP: 5 ¼" x 6" for "sky"
- Cinnamon Cider CS tree trunk: Use larger tree trunk die
- Mossy Meadow WCW DSP tree top: Use detailed tree top die and cut from darkest portion of DSP
- Balmy Blue CS birds: Cut 2 with one die

- Sentiment and inside words: Print onto Basic White CS and use Stitched Rectangles dies to cut out. I wanted the words to be cropped closer than the Rectangle Dies were designed to do. To get the CS more of a square shape, line up die along the left edge at the desired distance and run half way through SC&E Machine, then line up at the same distance on the opposite side. Line the die up so that the stitches line up (you can feel the die slide into place). Run through on the opposite side.
- Old Olive CS layer: Cut ¼" larger on each side of Basic White layer.
- Night of Navy CS layer: Cut 1/8" larger than Old Olive layer.
- Basic White CS inside layers: Cut 2 that are 5 ¼" x 8 ¼"

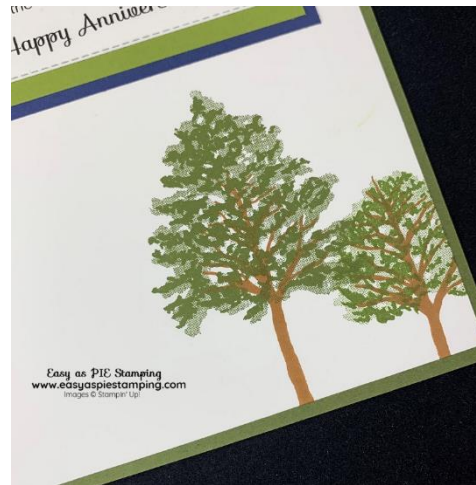

Step 2:

Stamp your images.

- Tree shadow on DSP: Decide where to position tree trunk and then use shadow stamp to stamp the shadow (3 times) in Mossy Meadow ink.

- Inside Basic White layer: Stamp 2 tree trunks in left corner of left layer and right corner of right layer in Cinnamon Cider ink. Stamp the tree tops. The larger ones in Mossy Meadow ink and the smaller ones in Old Olive ink.

Step 3:

Putting it all together.

- Attach the “sky” DSP to the Night of Navy CS layer with Seal.
- Attach the “hills” DSP to the Night of Navy CS layer with Seal.
- Use Seal to attach the tree trunk to the card front.
- Attach the tree top with Dimensionals.
- Attach the birds with glue dots to the tree top.

- Attach the sentiment with Dimensionals to the top of the card front.
- Attach completed card front to card base.
- Layer up the Basic White CS with the words, the Old Olive mat and Night of Navy mat with Seal.
- Glue the stamped Basic White layers onto the inside of the card.
- Position the matted words towards the top (above your stamped trees) and glue in place.
